STUDENT/PARENT POLICIES & STUDIO RULES

Tardiness – Our Studio takes its training responsibility to each student very seriously. The opening exercise is designed to prepare the young dancer physically and mentally for the rest of the class. Children who arrive late miss the first exercise and disrupt the class focus. For this reason tardy students will not be allowed to enter the classroom after the class has begun. The studio reserves the right to have students who come late, sit out and watch class. A make-up class may be arranged for that child.

Parent Viewing – Parents are welcome to observe any and all scheduled classes. We ask that parents of the dancers be aware of their influence and possible distraction and observe accordingly. Parents and friends are asked to remain in the viewing and lobby area at all times and we ask that they not interrupt the class by speaking directly to their dancer during class.

Arrival/Drop Off & Pick Up – Students may arrive at the studio on their own, either from school or dropped off. However, we are not responsible for students outside the building and insist on all children waiting inside for their rides. Parents please come in to pick up your children. We encourage students to arrive 15 minutes early to prepare for class and stretch. However we are not responsible for providing supervision in excess of 15 minutes before or after class.

Missed Classes/Make-Ups – Missed classes must be made-up within four (4) weeks of absence and scheduled in advance of the make-up day. Once scheduled, all make-ups are counted unless canceled prior to make-up day. **All make-up lessons must be completed within the session that the student is enrolled.**

Communication – Please take the time to read emails from us. The Studio will communicate billing and other important information to our students and parents through email. We also have bulletin boards in both locations that should be reviewed every so often.

Classroom Behavior - Out of respect of the studio classroom space, and also for safety reasons, we request that children in our Introductory Program not enter the classroom and play or run around before the teacher is present. Dancers Ballet 1 and above are encouraged to go in and stretch.

Talking in class is not allowed. Hands should be raised when there is a question for the teacher.

Gum is never allowed in the classroom.

We acknowledge that sometimes children suddenly need to use the restroom, but we would appreciate and expect that the students take time to do so before class. Students in Ballet 1A and above are expected to confine trips to the bathroom to the break between barre and center work, except in cases where leaving is unavoidable.

At the end of the class, traditionally the students thank the instructor by applauding. If a student needs to leave class early, please warn the teacher before class. At the given time, the student should thank the teacher and then quietly leave.

Individual teachers may have additional classroom rules, which they will discuss with students.

Corrections – Throughout class, the instructor gives “corrections” to the students. Students should not interpret these corrections to suggest that they are not doing well, but rather the only means of progressing in this art form. All corrections apply to everyone. Corrections, even when given to a single student, should be worked on and applied by the entire class.

Additional Studio Rules.

- No pets are allowed in the lobbies at any time.
- Please do not use the bathrooms as a dressing room. We have both men's and women's dressing rooms.
- Please do not leave unsupervised siblings/young children in the lobby, and please accompany them to the restrooms.
- No food is allowed in the studios at any time. Students are encouraged to drink water during class. Please dispose of any containers left after eating in the lobby.
- Any lost and found items left unclaimed two weeks after the end of each term will be given to charity or disposed of.
- Only staff is permitted in office areas

STUDENT DRESS CODE

All students must wear their appropriate class dress code in order to participate in classes. **NO STREET CLOTHING OR SHOES.** The studio reserves the right to have students out of dress code, sit out and watch class. No make-up class will be allowed.

ALL CLASSES: Hair should be pulled back and away from the dancer's face.

Introductory Classes – Pre-School & Kindergarten

Girls in our Introductory Classes may wear any color leotard with or without tights and may also wear short skirts. Boys may wear shorts or sweat pants with t-shirts if they wish. Both boys and girls also have the option of wearing a unitard or biketard. **Ballet slippers are required.** Hair should be tied back and away from the dancer's face.

Ballet Classes

Girls are to wear pink tights and pink shoes. They may choose the color of their leotard. Short skirts and dance shorts are allowed at the discretion of the instructor. Hair must be pulled back away from face and secured in a bun (if long enough to do so).

Boys may wear a unitard, a biketard or tucked in t-shirts with shorts or tights. Black, white or flesh-colored ballet shoes are permitted.

Other Dance Classes

Although students may wear whatever dance or workout wear that they are comfortable in, please remember that **street clothes are not permitted.** If student does not feel comfortable wearing dance attire, we recommend leggings or jazz pants with a leotard underneath or t-shirt (not baggy).

Keep in mind that baggy shirts, pants and shorts as well as long skirts make it difficult for the instructor to give guidance and correction

Boys Basics: Ballet shoes are required

Musical Theatre: Ballet shoes or jazz shoes

Hip Hop/Jazz: Tennis shoes – dedicated to dance ONLY.

STREET SHOES ARE NOT ALLOWED ON THE DANCE FLOOR.

CLASS INFORMATION & REQUIREMENTS

CREATIVE MOVEMENT (ages 3 & 4): In a joyful, non-judgmental environment, children explore movement, music and imagination. Kinetic skills, musicality, inner awareness and focus improve through Creative Movement.

PRE-BALLET (ages 5 & 6): Still maintaining a fun and creative atmosphere, this class is the child's first experience with true "ballet". Students are exposed not only to classical ballet steps, but also begin to follow the structure of a real ballet class and understand reason for and importance of each exercise.

BOYS BASICS: For boys aged 6-10, this class is a great starting place for boys interested, but wary of dance classes. In this class they get a taste of dance and attain a deeper awareness of the body's kinetic ability and how reflexes and coordination are based in rhythm.

MUSICAL THEATRE: Steps and choreography will be taught using fun and inspiring musical theatre tunes. This class will benefit kids of ages and abilities if they plan to or already do participate in musical theatre productions.

HIP HOP: This high-energy class uses the latest sounds in rap, R&B and pop music together with movements influenced by some of today's hottest dance choreographers.

BALLET 1A: Designed for students, aged 7-9, just out of Pre-Ballet or with very little experience in a traditional ballet classroom environment.

BALLET 1: Dancers in this level must have previous training. 1 ballet class required.

TEEN BALLET 2A: Designed for the older beginner, this class is prepares the student to enter the Intermediate Ballet Division. Although not required, 2 ballet classes are recommended and may be added with instructor authorization.

BALLET 2: 2 classes are required. Students are encouraged to take the full Summer Program.

BALLET 3 & 4: 3 Ballet class min – 4 or 5 recommended. Students are encouraged to take the full Summer Program.

STETCH & STRENGTH: This class is designed to build the dancer's strength and stamina as well as to increase his/her flexibility. It is a physically challenging class, but exercises will be adjusted to fit each dancer's age and ability. This class is open to all students ages 7 and up.

JAZZ-CONTEMPORARY-ETC.: Guest teachers will be brought in to work with our level 3 and 4 dancers. Classes include Jazz, Contemporary and possibly Musical Theatre.

WEEKLY DANCE CLASSES

Studio Roxander's Dance Program is designed for students age 3 to 19. Applicants registering for Creative Movement, Pre-Ballet and Boys Basics need no formal training. It is recommended that students joining Hip Hop and/or Musical Theatre take a trial or drop in class. New students entering levels Ballet 1 and above must all have some previous ballet training and a scheduled placement class is required. If a student registers in a level that does not suit him/her, they will be moved to a different class. Placement is based on age and ability. Ballet is highly recommended, but not required, for registration at our school.

STUDENTS MAY REGISTER FOR ONE OR BOTH SESSIONS.
